# INTERNATIONAL DECLARATION

Consumers worldwide value food products manufactured in Germany. As a food producer, you are required to take country-specific and European standards into consideration when creating your food labels. As food regulations and their interpretation are becoming ever more complex, you need food experts in each country.

SGS can answer your questions for the international arena: does my product need to fulfil specific requirements in different countries? Which declarations need to be provided in different languages on the label?

What vital elements need to be included on the labels?

## OUR RANGE OF SERVICES

- Food label checks in accordance with national/European requirements
- Translation of relevant information under labelling law from English
- Review of translation suggestions
- Reconciliation of requirements for different countries with the same language, coordination of the check results
- Support from label draft to print-ready layout

Experienced staff will collect and verify all information about your project at our central office in Taunusstein and will distribute it to our experts in each country.

SGS offers services in the following countries:

Austria, Belgium, Bulgaria, Canada, Croatia, Czech Republic, Denmark, Finland, France, Great Britain, Greece, Hungary, Ireland, Italy, Macedonia, Montenegro, Netherlands, Norway, Poland, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Ukraine, USA - in addition to other upon request.

## SERVICES AND PRICES

We offer the following "service packages":

1. Label in the respective national language
  - "Label check" package  
one-off declaration check of the label information in accordance with food labelling regulations
  - "Label check complete" package  
declaration check of the label information in accordance with food labelling regulations, incl. all further checks (in the case of known composition)
2. Declaration draft in English
  - "Translation/label check" package  
translation of the declaration drafts from English into the respective national languages, taking food law requirements into account
  - "Translation/label check complete" package  
in addition, all further reviews following implementation of the translations into the label layout (in the case of known composition)

Following confirmation of the order, we usually require ten to twelve working days. In the case of large projects, the processing time is to be agreed individually. The results of the checks will be sent to you by email in a PDF file.

We would be happy to advise you – give us a call!
